## Packaged Rooftop Commercial Units

Precedent™ and Voyager™ Light Commercial Units  
Accessories Cross-Reference Guide

**Note:** The comparisons in this marketing guide provide a cross-reference from an accessory ordered via the Lynx ordering system to a part number that is currently set up to order in Pride. The intent of this guide is to aid you in offering additional accessories when quoting a Precedent or Voyager Light Commercial Unit.

**Table 1. Precedent Accessory Cross-Reference**

| Category      | Literature    | Accessory Description        | Lynx Part                       | Mnemonic    | Where Used?   |   |
|---------------|---------------|------------------------------|---------------------------------|-------------|---|---|
| Curbs         | ACC-SVN43D-EN | Roof Curbs                   | BAYCURB042A                     | CRB00162    | T/YSC036-060E, T/YHC036E, WSC036-048E, WSC060ED   |   |

Trane optimizes the performance of homes and buildings around the world. A business of Ingersoll Rand, the leader in creating and sustaining safe, comfortable and energy efficient environments, Trane offers a broad portfolio of advanced controls and HVAC systems, comprehensive building services, and parts. For more information, visit [www.Trane.com](http://www.Trane.com).

Trane has a policy of continuous product and product data improvement and reserves the right to change design and specifications without notice.
